II. Instructions: How do I use this form and where do I send it?

A. This form A should be used:

1. When registering a course **at your location** with the U of N **for the first time**.

School Leader Information

(To be filled in by the School Leader and the Base Leader)

Commendation of the U of N School Leader

In order to apply the scriptural principle of commendation expressed in the Pauline epistles, the University of the Nations is requesting information from each of our School Leaders. On this form, we ask about your academic, YWAM, and other training, as well as your ministry experience. We do not mean to imply that degrees or diplomas are prerequisites to be able to minister within the U of N. However, we would like to know of the different ways the Lord has equipped you for your ministry, both formal and informal.

The reasons go beyond academic requirements. We have to answer questions from other institutions concerning the qualifications of our school leaders. But we also have to answer similar questions from insurance companies, governments, and immigration authorities in various countries. The issue is accountability: if we teach accountability as part of the discipleship process, leading to spiritual maturity, we must be ready to live it ourselves. Further, we are accountable not only to academic and government authorities, but to students, students' families, and their pastors. Our primary accountability sphere, after the Lord, is to His Church. As we have information concerning your professional, practical and spiritual qualifications for being a U of N school leader, we are able to commend you to the Church, to governments, and to any other authorities, just as the Apostle Paul commended his co-workers (see Romans 16:1-2, I Corinthians 16:10-11, Ephesians 6:21-22, Colossians 4:10-13 and Titus 3:13).

Thank you for your diligence and faithfulness in providing this information.

Instructions To The School Leader and Base Leader - Please Read Carefully Before Completing Form.

- 1. This information form is to be filled in first by the School Leader
- 2. Then the Base Leader is to fill in their commendation on the School Leader.

LECTURE (FIRST) PHASE REGISTRATION

Please answer each item prayerfully, asking God to clarify His purposes for your course. We realize that the actual Lecture Phase or First Phase may vary to some degree from the original projection; however, this information is vital for achieving the course objectives. You will be able to record actual Lecture Phase activities on Form C1, after the course is completed.

A. Rationale or Purpose Statement - Please share your reasons for running this course and explain how it contributes to the overall goals and objectives of YWAM in the areas of evangelizing and discipling nations.

B. Context of Course - Looking at the context in which the course is set, please answer the following: How does this course relate to the country in which the course is taking place? How does it fit the local or ultimate ministry setting? (The aim is to set the course into an appropriate geographical and socio-cultural framework.)

C. Desired Outcomes of the course: what knowledge, skills and character should the students have acquired/developed at the end of this course? The outcomes define who they should be (the character they are growing in), what they should know (the knowledge that they have acquired), and what they should be able to do (the skills they should have developed). The focus on outcomes within the formal, non-formal and informal environment allows for variety and diverse ways in which each course can be designed. Although the outcomes remain the same, the way that they are arrived at can vary significantly depending on the culture and context in which the training takes place. (Clearly formed outcomes are a great help in effective course planning. It is well worth spending quality time thinking them through and expressing them clearly. Both courses content and methods of presenting the course content are derived from the desired outcomes. They are the means to achieve the outcomes).

List the desired outcomes in the following areas:

Form A
Page 15
(06/12)

Please note: In 1995, the Board of Regents decided that the local base leadership together with the school leadership decides if they want to register their course(s) with the University of the Nations. They then register the course by filling out the Form A and sending in the appropriate course registration fee. If they have decided to register the course with the U of N, then all students who are a part of the U of N registered school will be charged a student registration fee, and the record of their attendance and grades will be maintained by the International Records System. This student registration fee should accompany Form B.

1. For the purpose of calculating the Course Registration Charges, the "amount charged to one student" includes tuition, room and board of the course.
2. A single Course Registration Charge is paid with each FORM A.
3. Seminar: (1-6 credit seminars). Seminars pay the standard charges.
4. Consecutive courses making up a school can pay one course registration charge, such as SBS, SECE and integrated MMBC. For example, CHR 213-315-316.

Course similar seminars cannot be combined with the same course registration charge: for example, CHR 213-316 is SBS, but the two SBS Seminars CHR 113 and CHR 115 cannot pay Form A registration with the CHR 213-316 registrations. They are separate and need to be put on another form.

5. Please send your Course Registration Charges attached to FORM A, to your International Registrar. (See payment possibilities, bottom of page 14.)
6. When your course has been registered you will receive a Certificate of your course's affiliation with the U of N, valid for the current U of N Catalogue period.
7. Re-Registration is more costly because the first registration is a discounted version of the normal charge to give benefit to the expense of starting up new schools.

Thank you! for completing this Form A.

Form B

(06/12)

Please note: In 1995, the Board of Regents decided that the local base leadership together with the school leadership decides if they want to register their course(s) with the University of the Nations. They then register the course by filling out the Form A and sending in the appropriate course registration fee. If they have decided to register the course with the U of N, then all students who are a part of the U of N registered school will be charged a student registration fee, and the record of their attendance and grades will be maintained by the International Records System. This student registration fee should accompany Form B.

1. For the purpose of calculating the Student Registration Charges, the "amount charged to one student" includes tuition, room and board only.
2. The Student Charges for the Lecture Phase are paid with the Form B, using Page 3 to figure the total amount. There are no charges for field assignment or internships.

When payment is received with the Form B Student Registration, officially signed U of N Course Completion Certificates will be issued for the course, and sent to the school leader at the school location to be filled in by school leader.

3. Seminars: (1-6 credit seminars). Seminars pay the standard charges as outlined on previous page.
4. Please send your Student Registration Charges to your International Registrar.
5. When your payment has been received you will receive a receipt from the International Registrar's Office.

5. Explanation of grading system (See the U of N Reference Guide for a fuller explanation of letter grades).
 - A. Letter Grades

A = Excellent	S = Satisfactory	I = Incomplete
B = High Achievement	U = Unsatisfactory	T = Deferred
C = Moderate Achievement	W = Withdrawn	X = Audit
D = Minimum Achievement	N = No credits (800 level courses)	
F = Failing		
 - B. The five grades (A, B, C, D, & S) signify various levels of achievement for which academic credit is recorded.
 - C. The Satisfactory/Unsatisfactory (S/U) are used for DTS only. All other courses and seminars are to be graded with letter grades, regardless of their length.
 - D. The remaining categories (W, I, T, N & X) apply to all courses/seminars and signify levels of achievement or circumstances for which credit toward graduation will not be received. For more definition refer to the current U of N catalogue.
 - E. Students that leave class during the first week of school are not to be listed for a grade. Students withdrawing between the second week and prior to the two final weeks of school receive a "W" or "I" grade as appropriate. Commendation To Teach

In order to apply the scriptural principle of commendation expressed in the Pauline epistles, the University of the Nations is requesting information from each of our speakers. On this form, we ask about your academic, YWAM, and other training, as well as your ministry experience. We do not mean to imply that degrees or diplomas are pre-requisites to be able to minister within the U of N. However, we would like to know of the different ways the Lord has equipped you for your ministry, both formal and informal.

The reasons go beyond academic requirements. We have to answer questions from other institutions concerning the qualifications of our teachers. But we also have to answer similar questions from insurance companies, governments, and immigration authorities in various countries. The issue is accountability: if we teach accountability as part of the discipleship process, leading to spiritual maturity, we must be ready to live it ourselves. Further, we are accountable not only to academic and government authorities, but to students, students' families, and their pastors. Our primary accountability sphere, after the Lord, is to His Church. As we have information concerning your professional, practical and spiritual qualifications for being a U of N teacher, we are able to commend you to the Church, to governments, and to any other authorities, just as the Apostle Paul commended his co-workers (see Romans 16:1-2, I Corinthians 16:10-11, Ephesians 6:21-22, Colossians 4:10-13 and Titus 3:13).

Thank you for your diligence and faithfulness in providing this information.
